

The Better Man Project

Website updates — August 1, 2026

What we completed

Legal name — Replaced “Sarah Angelo Inc.” with **The Better Man Project LLC** (temporary until you confirm a final name).

Booking — “Book a Free Discovery Call” now leads to a real scheduler on the Book page (ready for your Calendly or Cal.com link).

Blog — All six article links open full posts (no more blank/404 pages).

Pricing — Replaced “Contact for Pricing” with clear starting ranges on the Book page.

Accessibility & SEO — Proper heading structure, better image alt text, favicon, and local-business search markup (South Florida coaching).

Social guidance — Recommendations ready for Instagram first, then LinkedIn (site icons wait for your live URLs).

Reminders to finish the website

Google Workspace — Set up Google Workspace with a professional email (e.g. sarah@thebettermanproject.com), then use that address to register Calendly or Cal.com and send your Discovery Call booking link.

Headshot — Send a professional photo so we can replace the logo placeholders.

Final business name — Confirm whether to keep The Better Man Project LLC or send the exact legal name once decided.

Social profiles — Create Instagram (then LinkedIn) and send the live URLs to connect on the site.

Domain & email — Share your preferred website domain and contact email when ready.

Pricing check — Confirm the starting package ranges on the Book page, or send adjusted numbers.

Prepared for Sarah Angelo
